KENNEL CLUB BREEDERS COMPETITION 2009

The following Award is offered:

BEST BREEDER IN BREED

To recognise and support the commitment and talent shown by UK breeders, the Kennel Club has created a new competition – The Kennel Club Breeders' Competition. The competition creates a new arena where breeders can demonstrate their breeding skills and take pride in showing off their stock.

Manchester Dog Show Society played host at its Championship Show in 2009 to the official launch of the Kennel Club Breeders' Competition, with a Crufts Final in 2010 and the main features are:

- Competition schedules at all Championship shows for every breed, with or without CCs (Breed Club, Sub Group, Group and General Championship Shows included).
- Entries can be made on the day of competition.
- Breeders become eligible to enter by having bred four dogs being present and exhibited at that show in the breed.
- Competition judged by the breed judges immediately after awarding Best of Breed, Best Puppy in Breed & Best Veteran.
- There is no entry fee payable.

The following requirements apply to entry for these awards:

- 1 Breeders wishing to enter the competition should first purchase a Breeders Competition Record Book from The Kennel Club.
- 2 The Breeder enters for the award in his/her name and is responsible for arranging which exhibits form their breeder group or team.
- 3 The Breeder must complete the record book accurately with all necessary details before presenting it to the show organisers.
- 4 The Breeder is responsible for obtaining the necessary authority to compete from the show Secretary to compete for the award.
- 5 The Breeder's team must comprise of four exhibits of the same breed, all of which must be entered in a class at the show.
- 6 A Breeder may enter more than one team per show.
- 7 All dogs must have the same registered breeder.
- 8 The 'beaten dog' rule will NOT apply.
- 9 Twenty points are required to qualify for the Finals at Crufts in the following year. Points are cumulative over a calendar year and are gained as follows:

Breed Win	1 point
Fourth in Group	1 point
Third in Group	2 points
Second in Group	3 points
First in Group	4 points

Breeders gaining 20 points should apply to the Canine Activities Department at The Kennel Club to apply for the Crufts Final. After amassing 20 points a breeder cannot enter any further Best Breeder Competition for that calendar year.
